Pals and Pearls OF PACHMARHI

**A Plastic-Free Pachmarhi
Campaign by Satpura Tiger Reserve**

FOR NATURE • FOR FUTURE • FOR OUR COMMUNITY

About the campaign

Pachmarhi – the Queen of Satpuras – is a treasure of natural beauty, biodiversity and cultural heritage. But plastic pollution threatens its charm and our future.

"Pals and Pearls of Pachmarhi" is a community-led campaign by Satpura Tiger Reserve to inspire every resident, visitor and youth to become a "Pal" (friend) of Pachmarhi and protect its "Pearls" (natural gems).

Together, let's build a cleaner, greener and plastic-free Pachmarhi!

Our goals

Reduce single-use plastic

Promote eco-friendly habits and responsible tourism

Engage communities, children, tourists and stakeholders

Keep Pachmarhi clean, beautiful and sustainable

“
Small actions today
